Points for Prayer

PORTUGAL – In their March Bulletin, James and Heather Cochrane report, "The Sunday morning focus on the essentials of discipleship - Ser Discípulos de Cristo - finished at the end of February and our focus during March will be on the important discipline of prayer (both personal and corporate) in the life of a disciple. We continue to promote the fledgling 'small group' ministry which meets at the beginning of each month in a different home. Through discussion, study, prayer and of course food, it is a time to reflect on how we can apply the Sunday morning teaching to our own lives."

- Praise God that 14 people gathered for the small group last month and pray with James and Heather as they consider increasing the frequency of the small group to twice a month.*
- Give thanks for the studies on the essentials of discipleship and pray that God would continue to apply God's Word to people's lives. Pray for the small group ministry – for those who currently come and for more to come along as we move towards twice a month.*
- Pray for the weekly meetings for Bible study and prayer with new converts.*
