### POINTS FOR PRAYER - FEBA RADIO

#### **FEBA**

Gill Knowles from Feba sends the following prayer requests regarding Feba's work in Yemen:

- Give thanks for the *Yemen Project* which produces programmes to bring practical advice as well as teaching about the Christian faith to Yemenis, helping them to consider social and spiritual change, and also supporting and encouraging isolated believers.
- Pray for families of believers. They are not only bringing up their children in the midst of violent conflict but also whilst they are receiving death threats because of their Christian faith.
- Give thanks for the children's radio programmes, bringing Bible stories for bedtime. Pray that these will help parents talk about their faith with their children and for the children to understand.
- Some listeners want to respond to the programmes and talk with a follow up worker via the internet. However as the conflict has continued, the internet availability has become increasingly unreliable. Pray that it will be available when people want to talk.
- Despite difficulties with communication, some people are using the mobile app to listen to the radio programmes and to communicate with other believers. Give thanks for this and the opportunities to access information, teaching and fellowship that it brings.
- Please pray for the leaders of Yemen, that people become willing to compromise with each other to find a peaceful solution to the conflict. Pray for the process of reconciliation that follows a peace agreement, as families and communities come to grips with the harm done to them, or that they have done to others.

#### Congregation

Pray for our Youth Worker, Ryan Dennison, as he supports our volunteer leaders and builds pastoral relationships with our young people. Pray that God will mightily use Ryan in the building of the Kingdom of God among us. Ask God to bless Ryan's personal walk with Him and pray for strength and wisdom for Ryan in his work and ministry.
